

# Ideas2Action

Registered Charity Number 1170422

*A voluntary organisation all about ideas and taking action on those ideas for the benefit of the environment and local people in Dorset.*

## Welcome to the September issue of Ideas2Action Recycling News

It's been all go here organising Win on Waste sessions during Recycle Week and our Recycling Awards.

We're also launching the latest in the Win on Waste network – **Oakdale Win on Waste** on 23rd September from 10.30am to 12 noon at Oakdale Library (click [here](#) to see the items to save and donate).

There will also be a **Wimborne Win on Waste on the 14th October**, run in conjunction with *Care For Our Common Home* to be held at Wimborne Library

as part of the [Minster Eco Fair](#).

I'm also updating the We Need That directory this month, so if you're involved in a charity, faith group, school or not-for-profit playgroup and use items that people are throwing away - or if you know of one - please give them [our contact details](#) as we'd love to include them in the next issue. The good news is - it's free!

In the meantime please keep collecting items from your waste and donating them. Your donations really do make a difference!

See you next issue.

**Best wishes, Monique**

---

### **Save your ring pulls and neckties!**

If you've been admiring the purse made out of aluminium ring pulls featured in the photo at the top of this newsletter, you'll want to hear about our latest recycling adventure.

When we heard about the [Purple Community Fund](#) and their need for ties and ring pulls from drink cans, we wanted to get involved. Both items go to the Philippines where women who live on rubbish dump make the items into bags, cushion covers and jewellery which are sold in the UK. The proceeds go back to the women to help them out of poverty. So please look out any unwanted ties

and take them to a Win on Waste session in September. The same with the ring pulls, which we'll be collecting throughout the year.

---

### **Can you help to fill the drum for us?**

Rossmore Leisure Centre has been storing all the aerosol deodorant cans we've collected for a while now, but the drum still isn't full. Until it is they can't send the cans off to be recycled and claim points and points to us mean money! Cans can be dropped off at the Leisure Centre or at any Win on Waste session.

---

## Feature spotlight

In Section 4 (pages 24-26) of our [We Need That directory](#) you'll find organisations looking for other items you may have tucked away. This month we're highlighting the WWF Poole Volunteer Group who are looking for picture frames and any animal or wildlife items e.g. toys, jigsaws, books, ornaments, brac-a-brac etc. Contact Linda 01202 381000 or [email Karen](#).
