

STOP! Don't throw that away...

“WE NEED THAT!”

We Need That! is a directory which aims to show Bournemouth and Poole residents that the items they throw into their rubbish or recycling bins, or take to the tip, may be needed by a voluntary group, school, faith group or individual.

Look inside to see if anyone needs
the things you are throwing away....

We Need That! is a project run by local voluntary organisation Ideas2Action

February 2016

ACHIEVEMENTS TO DATE

The first achievement is the project itself. Without the initial funding from the Borough of Poole's Green Initiatives Grant, further funding from Dorset Community Foundation (Poole Fund) and funding from the Green Goals Community Fund in Bournemouth which was used to expand it into Bournemouth, we wouldn't have been able to achieve the following. So a very big thank you to all our funders.

In Autumn 2014 our projects were featured in the Wessex Water magazine. We received a huge response from people in the Wessex Water area and we are pleased to say that someone in Somerset is now starting a We Need That in the county.

COMPANIES AND MEMBERSHIP

ORGANISATIONS DOING THEIR BIT

Local companies and membership organisations are encouraging their members and fellow employees to save items. These include Brittany Ferries, Poole Lions, The Green Hotel and J.P. Morgan. The Green Team at J.P. Morgan have gone one step further and started their own We Need

That collection called We Want That. They have set up a series of collection bins on site and are encouraging staff to collect and donate items to be given to some of the organisations in this directory. If you would like to do something similar at your place of work, please get in touch with Monique 07771 705662 or email: contact@ideas2action.org.uk

LOCAL GROUPS WHO ALSO RECYCLE

Between pages 31 and 34 you'll see that we have featured two larger voluntary organisations, Dorset Reclaim and the Dorset Scrapstore. Both need your items, so please read about what they are looking for.

WASTE NOT WANT NOT POOLE

The Waste-Not-Want-Not Poole website is a place where you can offer larger items or ask for items to again save them going in the bin or to the tip. <http://groups.yahoo.com/group/waste-not-want-not-poole/>

RECYCLING IN BOURNEMOUTH AND POOLE

If you have any questions about general recycling or waste in Bournemouth and Poole check out the Councils' websites: [http://www.bournemouth.gov.uk/Environment/RecyclingWaste/](http://www.bournemouth.gov.uk/Environment/RecyclingWaste/RecyclingWasteLandingPage.aspx)

[RecyclingWasteLandingPage.aspx](http://www.bournemouth.gov.uk/Environment/RecyclingWaste/RecyclingWasteLandingPage.aspx)

Or for Poole: <http://www.boroughofpoole.com/environment/recycling-rubbish-waste/recycling/>

THREE COMMUNITIES RECYCLE

If you live in Canford Heath, Creekmoor or Hamworthy in Poole you may be interested to know that once a month residents in these areas save items from their recycling/rubbish and donate them to the organisations in this directory. In Canford Heath they meet at the Coffee House Café and in Creekmoor and Hamworthy they meet at their local libraries. Please see contact Monique for further information 07771 705662.

SECTION 5

DORSET RECLAIM AND THE DORSET SCRAPSTORE

DORSET RECLAIM

Dorset Reclaim is a local charity helping people on lower incomes furnish their homes. From a small start, we now have three depots across Dorset with a team of volunteers and staff ready to help you. Your local depots are at 85 Stanley Road, Springbourne and Didcot Road, Poole.

We rely completely on the generous donations from local householders to help other local families. We need a wide selection of items including all types of furniture, large and small electrical items, curtains and crockery to carry out our work—we can even find a home for clothes, bags and shoes. We provide a free collection service to anyone offering good quality items to the project and try to accept anything it takes to make a home.

So if you're suffering from a lack of space, moving to a smaller home, or just having a spring clean, give us a call and help us to help others at the same time.

Call us on 01202 773384 (Bournemouth) or 01202 679080 (Poole) or visit our website

www.dorsetreclaim.org.uk to find out more.

DORSET SCRAPSTORE “An Aladdin’s Cave where waste from industry becomes a community resource!”

Fake limbs and biscuit tins, fabric swatches and cardboard boxes...Dorset Scrapstore wants a world where manufacturing waste doesn't go to landfill - it becomes a community resource for craft making and creativity.

We collect materials donated by industry and make them available to schools, community groups and families as a low cost resource. Our materials are suitable for use in art, craft, education and play. We help the environment by promoting re-use and recycling, and by reducing the amounts going to landfill.

Dorset Scrapstore is a registered charity and a non-profit making company. We operate with the help of two part-time employees and a wonderful set of volunteers.

Donated materials are stored in our warehouses at Bournemouth and Puddletown. Our members come in and fill bin-bags with materials for just £6 per bag. Materials include paper, card, sticky-backed plastic, tubing, plastic bottles, fabric and foam, to name just a few of the things in store.

Dorset Scrapstore also runs affordable arts and crafts workshops. These cover a range of activities and focus on skill-learning in a fun and friendly group environment.

For a full list of all the items we need please see pages 35 and 36.

EMAIL enquiries@dorsetscrapstore.org.uk

RATING SYSTEM IS AS FOLLOWS:

1 – NO GREAT DEMAND – Goes slowly and is not very popular, but we try to keep a small amount in stock.

10 – DESPERATELY IN NEED! – Goes very quickly and we can never satisfy the demand.

Ratings are given for colourful things (where appropriate or relevant). Plainer or duller stuff will score slightly less!!

General info

1. We are interested in any materials or items that can be used in an art, craft or play context.
2. Materials must be **clean** and **safe**
3. The more colourful the better, particularly with regard to paper, fabric and plastics
4. Strange, exotic, and unusual materials are our “grail”!
5. If the scrap is appropriate we can take large quantities and act as distributor to the UK network of 105 scrapstores
6. If you can deliver – great! If not - we can collect.
7. We **do not accept** any food containers (even if they have been washed out) or electrical equipment.
8. We **can** take donations of suitable household items (particularly fabrics) but can only accept them if sorted into different types – we cannot accept large bags of mixed scrap types.
9. This list is incomplete! If you’ve got something that’s not listed here and you think it would be useful, call us.
