

STOP! Don't throw that away...

“WE NEED THAT!”

We Need That! is our recycling directory and it shows that the items you may be throwing into your rubbish / recycling bins, or taking to the tip, could be needed by not-for-profit organisations or individuals (who want to help good causes with items). Look inside to see if anyone needs the things you are throwing away....

We Need That! is a project run by charity Ideas2Action (Charity no. 1170422)

June/July/August 2018

Welcome to our new and what we hope is an improved *We Need That*, easier to navigate and quicker to look up the items you may be throwing away. Who knows, there may be one of the 25 not-for-profit organisations / individuals who could make use of it.

Please go to the index and call or email the organisation/individual looking for the item you have to arrange collection or delivery and check how many items they need or if they now have enough. Alternatively see page 3 for a list of items you can drop off at any of our monthly *Win on Waste*® sessions listed.

Dorset Scrapstore as well as those items in the index, please see pages 10-12 for details about all the items they need.

Important: *Ideas2Action accepts no liability or responsibility in relation to the delivery and/or collection of items. Ideas2Action is only facilitating in the brokerage of reusable items.*

Please remember to mention that **you saw the needs in this directory.**

Decluttering? We Need That.—our new directory is now available.....

Does this sound like you? **Having a declutter? Clearing out the attic or garage? Moving home? Downsizing? Clearing out the home of a friend or relative?** If so, before you throw items in your rubbish/recycling bins or take them to the tip, please see our latest directory <http://www.ideas2action.org.uk/wp-content/uploads/2018/06/Decluttering-We-Need-That-June-July-August-2018.pdf>

Do you work or volunteer with a not for profit organisation? Or are you an individual who wants to help good causes and would like to ask for items?

As the directory is updated, it's never too late to register. So, if you are a member of a group, or simply an individual who can make use of the items in the list, please contact Monique 07771 705662 or contact@ideas2action.org.uk

If you find you have items that no one in this directory needs, you could always advertise them on Freecycle (Trash Nothing) <https://trashnothing.com/> The Poole Waste Not Want Not group: <http://groups.yahoo.com/group/waste-not-want-not-poole/> Gumtree <https://www.gumtree.com/> Freegle <https://www.ilovefreegle.org/>

DORSET SCRAPSTORE

“Inspiring community creativity and saving the planet through crafting!”

Fake limbs and biscuit tins, fabric swatches and cardboard boxes... Dorset Scrapstore wants a world where manufacturing waste doesn't go to landfill - it becomes a community resource for craft making and creativity.

We collect materials donated by industry and make them available to schools, community groups and families as a low cost resource. Our materials are suitable for use in art, craft, education and play. We help the environment by promoting re-use and recycling, and by reducing the amounts going to landfill.

Dorset Scrapstore is a registered charity and a non-profit making company. We operate with the help of three part-time employees and a wonderful set of volunteers.

Donated materials are stored in our warehouse at Alder Hills, Poole. Our members come in and fill bin-bags with materials for just £7 per bag. Materials include paper, card, sticky-backed plastic, tubing, plastic bottles, fabric and foam, to name just a few of the things in store.

Dorset Scrapstore also runs affordable arts and crafts workshops. These cover a range of activities and focus on skill-learning in a fun and friendly group environment.

LIST OF SUITABLE MATERIALS
