Introduction

Welcome to Decluttering? We Need That directory. Does this sound like you?

Having a declutter? Clearing out the attic or garage? Moving home? Downsizing?

Clearing out the home of a friend or relative?

If so, before you throw items in your rubbish/recycling bins/skip or take them to the tip, please check in the index to see if any of the 113 items listed on the following pages you have may be needed by any of the 32 not-for-profit organisations and individuals included in this directory. Then just call up any of the contacts by that item and arrange delivery/collection.

*****Special requests*****

Wessex Cancer Trust—Bournemouth Centre would like wall clocks and batteries, candles in jars, a fish tank with fish (no larger than a metre in length), a large framed picture of a serene coastal scene, printer paper and telephone with answerphone.

What do the not-for-profit organisations use the items for?

Many of them will use them to raise funds, but others will use them in their day to day work e.g. craft sessions.

Special mention: Dorset Scrapstore—has a special playpod project for primary age school children to undertake role play. As well as the items listed they are always interested in other role play items suitable for children.

We Need That!

For those items you more regularly throw away e.g. biscuit wrappers, milk bottle tops, dried up ballpoint pens etc., please see our We Need That directory <http://www.ideas2action.org.uk/wp-content/uploads/2018/11/We-Need-That-Nov-Dec-Jan-2018-9.pdf>
This also contains a very comprehensive list of items that the Dorset Scrapstore is interested in receiving.

Are you involved in a not-for-profit organisation? Could you use any of the items in the list, or need other items not currently listed?

This directory is updated quarterly so if you would like to be included in a future issue please let Monique know: 07771 705662 or contact@ideas2action.org.uk

Important: *Ideas2Action accepts no liability or responsibility in relation to the delivery and/or collection of items. Ideas2Action is only facilitating in the brokerage of reusable items.* Please remember to mention that **you saw the needs in this directory.**
