

STOP! Don't throw that away...

We Need That is our recycling directory. It shows you that items you may be throwing into your rubbish / recycling bins, or taking to the tip, could be needed by 20 not-for-profit organisations or 2 individuals (who want to help good causes with items). Look inside to see if anyone needs the things you are throwing away....

We Need That! is a project run by charity Ideas2Action (Charity no. 1170422)

February/March/April 2019

Welcome to the latest issue of *We Need That*. There are 20 not-for-profit organisations and 2 individuals listed looking for any one of 65 items which you could be throwing away. So please go to the index and call or email the organisation/individual looking for the item you have to arrange collection or delivery and check how many items they need or if they now have enough. Also see page 3 for a list of items you can drop off at any of our 15 monthly *Win on Waste*® sessions.

Important: *Ideas2Action accepts no liability or responsibility in relation to the delivery and/or collection of items. Ideas2Action is only facilitating in the brokerage of reusable items.*

Please remember to mention that **you saw the needs in this directory.**

Decluttering? We Need That—the latest issue is now available.....

Does this sound like you? **Having a declutter? Clearing out the attic or garage? Moving home? Downsizing? Clearing out the home of a friend or relative?** If so, before you throw items into your rubbish/recycling bins or take them to the tip, please see our latest directory <http://www.ideas2action.org.uk/wp-content/uploads/2019/02/Decluttering-We-Need-That-Feb-March-April-19.pdf>

Do you work or volunteer with a not-for-profit organisation? Or are you an individual who wants to help good causes and would like to ask for items?

As the directory is updated, it's never too late to register. So, if you are a member of a group, or simply an individual who can make use of the items in the list, please contact Monique 07771 705662 or contact@ideas2action.org.uk

If you find you have items that no one in this directory needs, you could always advertise them on Freecycle (Trash Nothing) <https://trashnothing.com/> The Poole Waste Not Want Not group: <http://groups.yahoo.com/group/waste-not-want-not-poole/> Gumtree <https://www.gumtree.com/> Freegle <https://www.ilovefreegle.org/>
