

**STOP! Don't throw that away...**

**“WE NEED THAT!”**

We Need That is our recycling directory. It shows you that items you may be throwing into your rubbish / recycling bins, or taking to the tip, could be needed by 20 not-for-profit organisations or 2 individuals (who want to help good causes with items). Look inside to see if anyone needs the things you are throwing away....

We Need That! is a project run by charity Ideas2Action (Charity no. 1170422)

February/March/April 2019

**Welcome** to the latest issue of *We Need That*. There are not-for-profit organisations / individuals listed looking for any one of 65 items which you could be throwing away. So please go to the index and call or email the organisation/individual looking for the item you have to arrange collection or delivery and check how many items they need or if they now have enough. Also see page 3 for a list of items you can drop off at any of our 15 monthly *Win on Waste*® sessions.

**Important:** *Ideas2Action accepts no liability or responsibility in relation to the delivery and/or collection of items. Ideas2Action is only facilitating in the brokerage of reusable items.*

Please remember to mention that **you saw the needs in this directory.**

**Decluttering? We Need That**—the latest issue is now available.....

Does this sound like you? **Having a declutter? Clearing out the attic or garage? Moving home? Downsizing? Clearing out the home of a friend or relative?** If so, before you throw items into your rubbish/recycling bins or take them to the tip, please see our latest directory

**Do you work or volunteer with a not-for-profit organisation? Or are you an individual who wants to help good causes and would like to ask for items?**

As the directory is updated, it's never too late to register. So, if you are a member of a group, or simply an individual who can make use of the items in the list, please contact Monique 07771 705662 or [contact@ideas2action.org.uk](mailto:contact@ideas2action.org.uk)

If you find you have items that no one in this directory needs, you could always advertise them on Freecycle (Trash Nothing) <https://trashnothing.com/> The Poole Waste Not Want Not group: <http://groups.yahoo.com/group/waste-not-want-not-poole/> Gumtree <https://www.gumtree.com/> Freegle <https://www.ilovefreegle.org/>

#### **QUESTIONS ABOUT RECYCLING IN BOURNEMOUTH AND POOLE**

**Drop off points in Bournemouth (biscuit /cake wrappers/crisp packets/dried up writing instruments):**

Bournemouth Library—look for the special boxes.

All the items go to TerraCycle who crush them up and make new plastic items with them.  
These include plastic lumber and watering cans.
