

“STOP! Don’t throw that away...”

.....biscuit tins, bread bags, buttons, candles, card, cardboard tubes, clothing, coffee grounds, crisp packets, crochet needles, drainpipes, fabric, flower pots, foil, foreign currency, guttering, ice lolly sticks, kitchen utensils, pallets, tents.....

“We Need That!”

We Need That-Dorset is a reuse directory which shows which commonly thrown-away items are needed by not-for-profit organisations or individuals, and how you can contact them.

Welcome to the latest issue of **We Need That—Dorset** and also to the new entry from *Woodroffe School PTA*.

Recycling your waste is good but reusing it is even better and you'll also be supporting the 20 not-for-profit organisations and individuals who are looking for items that you may want to dispose of.

Please go to the index and call or email the organisation/individual looking for the item you have, to arrange collection/delivery. Alternatively, see page 3 for a list of items that you can drop off at any of Ideas2Action's monthly "Win on Waste®" sessions.

Please remember to mention that you saw the organisation/individual and what they needed in this directory.

Do you work or volunteer with a not-for-profit organisation? Or are you an individual who wants to help good causes and would like to ask for items?

As the directory is regularly updated, it's never too late to register. So, if you are a member of a group, or simply an individual who can make use of the items in the list, please contact Monique 07771 705662 or contact@ideas2action.org.uk

Other options for donating your waste

1. As well as the organisations in this directory there may be schools and other not-for-profit organisations across Dorset looking for items of waste that are recycled by a company called Terracycle. These include baby food pouches, Tassimo coffee discs/L'OR pods, biscuit wrappers etc. See their website and click on the map of the UK. https://www.terracycle.co.uk/en-GB/about-terracycle/drop_off_locations
2. If you find you have items that no one in this directory needs, you could always advertise them on Freecycle (Trash Nothing), <https://trashnothing.com/user/groups> Gumtree <https://www.gumtree.com/> or Freegle <https://www.ilovefreegle.org/> See their websites for your local group.

Use your Libraries <https://www.dorsetforyou.gov.uk/libraries>
 borrow books, DVD's, CD's, sheet music and maps. It's a great way of reusing.
