

STOP! Don't throw that away...

“WE NEED THAT!”

We Need That is one of our recycling directories. It shows you that 61 items you may be throwing into your rubbish/recycling bins, or taking to the tip, could be needed by 24 not-for-profit organisations or volunteers working on their behalf.

We Need That! is a project run by charity Win on Waste (Charity no. 1170422)

Oct/Nov/Dec 2020

Welcome to the latest issue of *We Need That*. There are 24 not-for-profit organisations listed looking for any one of 61 items which you might be throwing away. So please go through the current listings and call or email the organisation/individual looking for the item you have, to arrange collection or delivery and check how many items they need or if they now have enough. As our [Win on Waste](#) sessions are currently suspended, we have also included information on where to drop off items that were formerly collected. Where items are sent to Terracycle, these still benefit the charities supported by each individual collector.

***Important:** Win on Waste accepts no liability or responsibility in relation to the delivery and/or collection of items. Win on Waste is only facilitating in the brokerage of reusable items.*

Please remember to mention that **you saw the needs in this directory.**

Decluttering? We Need That—the latest issue is now available.....

Does this sound like you? **Having a declutter? Clearing out the attic or garage? Moving home? Downsizing? Clearing out the home of a friend or relative?** If so, before you throw items into your rubbish/recycling bins or take them to the tip, please see our latest directory at Ideas2Action.org.uk.

Do you work or volunteer with a not-for-profit organisation? Or are you an individual who wants to help good causes and would like to ask for items?

As the directory is continuously updated, it's never too late to register. If you are a member of a group, or simply an individual who can make use of the items in the list, please contact Stacey on 07771 705662 or contact@winonwaste.org

If you find you have items that no one in this directory needs, you could always advertise them on [Trash Nothing](#), [Facebook Buy/Sell Groups](#), [Gumtree](#) or check out more advice on reuse and recycling at [Recycle Now!](#)
